

## Determination of Split Rates

Adding Step 1 and 2 together provides us our final split rates

	<b>Residential</b>	<b>Non-Residential</b>
Revenue-neutral rate:	0.52333	0.9687
Referendum Rate:	0.03756	0.0695
New Split Rates:	<b>0.5609</b>	<b>1.0382</b>

Non-residential rate is 1.85 times higher than residential.  
Legislation set the cap at 2 times higher - BSD is within the cap.
